## ***School Improvement Foundation***

Teachers, administrators and staff at Vincent Massey Collegiate have long been committed to fostering excellence in our students. In order to broaden support for our students, the foundation seeks to involve parents in creating a 'partnership-oriented community.' The goal of this partnership is to improve the school's physical environment to facilitate the complete development of our students: academically, culturally and athletically. The foundation's goals are at the heart of VMC's mission statement which strongly emphasizes "academic excellence", "self discipline" and "obligatory participation in a diversified range of school activities", all within a committed partnership-oriented educational community.

If you are interested in making a **one-time, tax-deductible**, voluntary contribution to the VMC School Improvement Foundation, please complete the contribution form on the back of this letter and make your cheque **payable to "EMSB"**, and clearly write "**VMC School Improvement Foundation**" and your child's name on the back. The Vincent Massey Collegiate wall of recognition will proudly display the names of all benefactors.

Sincerely,

A handwritten signature in black ink, appearing to read 'Franca Cristiano'.

Franca Cristiano  
Principal
